June 11, 2020

Dear Parents and Guardians:

The District will continue to offer meal pick up for the upcoming week. Pick up is set for this Monday, June 15, 2020, from 10:00 AM to 12:00 noon. **There will be no evening pick up.** Students do not need to be present to pick up their meals for the week. The person picking up the food is required to know the student's full name as well school identification number. Whomever is picking up the meals must wear Personal Protective Equipment (PPE). In other words, **you must wear a mask when picking up meals.**

Out-of-District and Choice students can pick up their meals from local community sites.

If you are finding it a challenge to pick up the meals on Monday mornings, you are encouraged to fill out the survey in order to secure meal delivery. **You do not need to fill out the survey below if you are picking up meals.** There will be a second message sent to all of our families requesting a general count of meals.

[Week Fourteen Survey](#)
(June 15th through June 18th)

Meal pick-up will be located at the rear of the Junior-Senior High School. Vehicles are not permitted to enter through the gate. Students are to enter the Walnut Street gate by foot leading to the Football Stadium and go to the right. There will be a pick-up and distribution table near the rear Cafeteria exit/entrance. We ask that all families picking up meals respect the physical space of others and maintain proper social distancing; stay at least 6 feet away from others. Don't forget to wear your PPE if picking-up meals.

Be well,

Andrew P. Davis, Ed.D.
Superintendent

In partnership with our students, families, and communities, the Audubon Public Schools will educate all students by providing motivating and challenging learning experiences embedded in technology that prepare them to achieve the New Jersey Student Learning Standards at all grade levels, in a safe setting of mutual respect, in order to develop ethical, productive citizens who will contribute to the local and global community.
