

Dear Parents,

Below are the Core Values that the district feels are an important part of your child's education. A committee of parents, students, faculty, and administrators constructed these values. Please review these with your child and return the bottom portion of this letter to the school your child attends by Friday, September 8.

Audubon Elementary Schools – Core Values

STUDENTS ARE EXPECTED TO:

Prepare mentally and physically for the process of learning.

Demonstrate respect for people and property.

Take responsibility for their behavior and learning.

Use time and other resources responsibly.

Share responsibilities when working as members of a group.

Meet the unique requirements of each class.

Monitor their progress toward objectives.

Communicate with parents and school personnel about school related matters.

I reviewed the CORE VALUES and the DISCIPLINE CODE with my child. I understand that these values are the basis for the new discipline code and that if these values are violated consequences will occur.
