

Summer Reading Club

Dear Parents,

Reading over the summer is an important way to continue building and reinforcing skills that your child has been working on all year.

Please continue to support your student's educational growth by adopting reading as an enjoyable summer activity.

For incoming First and Second Graders, attached is a suggested reading list to help serve as a guide when you and your child are choosing books.

Please fill in the Reading Club Sheet as you read and return it with your student during the first week of school.

*****An assembly will be held at the beginning of the school year to celebrate all children who took the time to read over the summer.*****

Mrs. Costello will be collecting the reading sheets in September.

Enjoy the summer....Happy Reading!
