

# Great News...

## **This Summer the Haviland Avenue School Library will be open on Mondays!!!!!!**

Children –accompanied by an adult—are invited to use our library on Monday, any time from 9:00AM to 1:00PM beginning June 26 and running through July 31 (six weeks).

Mrs. Terlingo, our librarian, will be on hand to assist you in finding and checking out books. She will also be reading with you using the **Book Flix** program—and demonstrating how parents can access the program at home.

This is a great weekly activity for you and your children. Continuing to read can offset loss of reading skills that might occur when school is out. This is also an opportunity for new students to become more comfortable with our school by visiting regularly over the summer. Finally, we are anxious to continue our connection with parents and children even during the summer break.

Reading is fundamental to school success. We want to make it FUN too. You never know what Mrs. Terlingo might have in store for you at the Haviland School Library.

See you there!!!!!!
