Dear Parents and Guardians:

Yesterday afternoon, Governor Murphy extended the mandatory school closures in New Jersey. The Governor stated, “**Our public schools will remain closed through at least Friday, May 15th.** We need to be guided by where the facts on the ground, science, and public takes us. That means it will not be safe to reopen our schools for at least another four weeks.” As a result of this directive, we will continue to follow our *School Health Related Closure Plan* and our faculty and staff will continue to instruct and our students will continue to learn through remote learning environments.

**Free or reduced lunch meals are available for qualifying students.** If a family has experienced a job loss or reduction in salary, you may be eligible for Free or Reduced priced meals for your child(ren). The meal application process is active throughout the school year as family needs may change at any time. I have attached a copy of the Free and Reduced Lunch Meal applications to this communication ([English/Spanish](#)). If you are in need, please complete and mail the completed application to the attention of Mrs. Deborah Roncace, Audubon Public School District, 350 Edgewood Avenue, Audubon, NJ 08106. If you have any questions or need assistance completing the application, you can call 856.547.7695 ext. 4104.

**Technology exchanges are available on Tuesdays.** Families that are experiencing technical issues with their child's device are to reach out to their building principal prior to coming to the Junior-Senior High School for an exchange:
