May 1, 2020

Dear Parents and Guardians:

The District will continue to deliver instruction through remote learning environments until at least May 15, 2020.

Starting on Monday, May 4, 2020, the District will be providing meal pick up, free of charge, to any students enrolled in our schools whose family is experiencing hardship as a result of COVID-19. Grab & Go meal pickups are available for two (2) breakfast and two (2) lunch on Mondays and three (3) breakfast and three (3) lunch meals on Wednesdays. Meal pickups are available from 10:00 AM to 12:00 noon. There will be no evening pick-ups. (These protocols may be modified at any time, e.g. Memorial Day weekend.)

If you are interested in securing meals for your child(ren), during the school closure, please complete the [Main District Survey](#).

Meal pick-up will be located at the rear of the Junior-Senior High School. Vehicles are not permitted to enter through the gate. Students are to enter the Walnut Street gate by foot leading to the Football Stadium and go to the right. There will be a pick-up and distribution table near the rear Cafeteria exit/entrance. We ask that all families picking up meals respect the physical space of others and maintain proper social distancing; stay at least 6 feet away from others. Don't forget to wear your PPE (face mask) if picking-up meals.

The Audubon Public School District Board of Education will meet virtually through video-conferencing ([Zoom](#)) on Wednesday May 6, 2020 at 7:00 PM for the Public Hearing of the 2020-2021 Budget. The Board Secretary and I will host from the Junior-Senior High School at two separate locations. All Board of Education as well as interested community members will participate or be able to participate digitally using the Zoom video communications platform. Directives from the Governor and guidance from the Department of Health in regards to Social distancing and flattening the curve prompted these changes in meeting structure.

You may pre-register for the meeting by following this link - [Public Budget Hearing BOE Meeting Pre-Registration](#). Pre-registration is not required. Additional information will be available on the [District Website](#) under the Board of Education page and Digital Meeting. The Zoom URL and Meeting Identification number will be posted on the afternoon of May 5, 2020; the day before the Board meeting.

There is additional information available on the District website - [COVID-19](#). Please feel free to reach out to your child(ren)'s principal and/or me if you have any additional comments, concerns, and/or questions.

Sincerely,

Andrew P. Davis, Ed.D.
Superintendent of Schools

In partnership with our students, families, and communities, the Audubon Public Schools will educate all students by providing motivating and challenging learning experiences embedded in technology that prepare them to achieve the New Jersey Student Learning Standards at all grade levels, in a safe setting of mutual respect, in order to develop ethical, productive citizens who will contribute to the local and global community.
